

Iowa Premium is a proud member of the Tama/Toledo community, and is excited to have recently partnered with the Tama/Toledo Food Pantry. Iowa Premium had the opportunity to donate turkeys and dinner supplies to the pantry shortly after Thanksgiving, along with thirteen cases of beef prior to Christmas. The Iowa Premium team is grateful for the work the local food pantry is doing to serve the people of Tama County.

“We appreciate the incredible support that has been offered by the community to Iowa Premium over the past year. It was an honor to partner with the food pantry, and we look forward to future opportunities to be involved in this close-knit community!”
