

Iowa Premium

Family Farm Raised • Black Angus

Thursday, November 12, 2015, Iowa Premium passed an exciting milestone, celebrating 1 year of operation at the facility. In honor of this accomplishment, Iowa Premium's leadership team, including CEO Jeffrey Johnson, along with VP of Operations Steve Armstrong, Director of Cattle Procurement Tim Sweeney, and VP of Sales and Marketing Dan Rohrberg, served a celebratory lunch to all of the company employees. Throughout the past year, the staff has grown significantly, now exceeding over 600 people employed at the plant.

"I am so proud of our team and all they have accomplished during these past 12 months. It is no secret that being a startup company has its ups and downs, but I could not be prouder of the work this team has put in to make our first year at Iowa Premium a success. We are a family, and it has taken the effort of every single person on staff to bring Iowa Premium to where it is today. I am grateful for all of the hard work and dedication that has been brought to the table by our team. It is through their efforts that we will continue to grow and reach further milestones here in Tama."
